A BEAUTIFUL DESIGN

Simple, efficient and versatile. This rotisserie oven is designed to make your life easier. An innovative design with large viewing windows, glass-ceramic protected quartz lighting.

CAPACITY

24 chickens per hour.

PERFORMANCE

4 stainless steel Stand-up® baskets driven by a powerful motor, heated by 3 reinforced infrared "incoloy" heaters.

ERGONOMIC

New extra-flat touchscreen control panel, thermostat-regulated cook settings, automatic shut-off with "temperature hold" mode.

EASY TO CLEAN

Opens on both sides, the interior can be fully dismantled, red enameled sheet steel and dye-penetrating silk-screening on the windows.

SAFETY

Toughened glass protection, protected access to the fat tray.

ELECTRICAL SUPPLY

208 V tri-phase
27.8 Amps
10 Kw

An innovative basket

The Stand-up® basket, a new Dorégrill patent to make your life that much easier... Chickens are held upright, increasing oven capacity. With only 3 bars, it's light, easy to clean and really shows off your products.

| Model | Length | Height | Depth | Number of baskets | Power | Capacity per hour (depending on weight) |
|-------------------|---------|---------|---------|-------------------|-------|-----------------------------------------|
| N2 | 42 1/4" | 30 1/2" | 28 1/3" | 4 | 10 kW | 24 Vol. |
| Dimensions | | | | | | |
| Oven | Length | | Height | Depth | | |
| E. N2 | 42 1/4" | | 37" | 27 1/2" | | |
| | | | | Power | | |
| | | | | 3.30 kW | | |
