

ROTISSERIE

SPECIFICATIONS

Model: **DECO RB 20**

Manufacturer :

DESIGN

Based on a traditional baskets-roast rotisserie oven, the DÉCO series stands out with a third (lateral) window, giving you a panoramic view of the cooking process... This enamel plated unit, with halogen lights is a real show for your customers!

COOKING SYSTEM

20 chickens per hour.

Baskets for chickens, meat... a static grill and oven mode for pizzas, special dishes... a central spit for large meat pieces.

CLEANING

The interior can be fully dismantled.

PERFORMANCE

5 stainless steel baskets driven by a high-power motor, heated by 3 reinforced, "incoloy" infrared elements, high-temperature thermal seal joints (energy saving).

ERGONOMIC

Flat, protected control buttons, double-regulation thermostat oven control, automatic timed shut-off with a "temperature hold" mode.

COLORS

STANDARD

■ Signal Black
(RAL 9004)

STANDARD INTERIOR

■ Traffic red (RAL 3020)
or
■ Light ivory (RAL 1015)
