DESIGN

Traditional Rotisserie with powerful lighting system. Stainless Steel and Porcelain Enamel finish with choice of color available and refracting side blocks and panels, highlight the warm, authentic look of old-time cooking.

COOKING SYSTEM

8 spits.
Cooking using "Radiation Cast Iron". High yield "Live Flame" projectors make it like cooking over an open fire. Adjustable spits allow to cook any type of products from chicken to turkey, lamb, beef and vegetables. A variety of attachments are also available such as basket spits and chicken spits. Our rotisserie ingenious spit adjustment guarantees a perfect cooking regardless of the size of the product. Individual motors. Manual pilots.

CLEANING

Easy to clean and safe to maintain.
The interior can be fully dismantled.
Rounded corners.
Drain plug.

PERFORMANCE

Porcelain enamel finish and Radiation Cast Iron provide the best cooking system for poultry. Fast and consistent from 24 to 32 chickens capacity in less than an hour. The unique burner system provides exceptional control and unmatched durability. The porcelain enamel guarantees a non stick, most durable surface. Patented prong-less spits. Enameled burner panels.
