A BEAUTIFUL DESIGN

The MODEL is here to meet all of your needs!

Thanks to its revolutionary automatic steam cleaning system and non-stick red enamel interior, this is a time-saving miracle. What's more, the panoramic view of the inside will make your customers' mouths water.

A panoramic view, a modern and innovative design in even the smallest details, left or right control panel positioning, powerful lighting with 2 quartz lamps.

CAPACITY

20 to 30 chickens per hour depending on weight per unit .

PERFORMANCE

Multi-directional infra-red fan-assisted heating elements, 6 rotisserie cages, can be transformed into a mixed multi-level oven, and can cook 20 to 30 chickens per hour per unit, depending on the weight of the birds.

Base on casters with brakes.

ERGONOMIC

Fully transparent doors which open on both sides, a digital thermostat that lets you set any temperature from 68 to 464°F, automatic shut-off once it has finished cooking with a "temperature hold" mode, core temperature probe (optional).

EASY TO CLEAN

Double-glazed, removable doors and siding, a removable central support, an integrated rapid-drain fat tray, enamel-coated interior, anti-reflection and extra-flat control panel.

SAFETY

Toughened glass protection, protected access to the fat tray.
